**Together, through this
program, we can excel!**

The background features a collage of overlapping circles in various colors (orange, yellow, blue, green, pink). Each circle contains a white icon representing a different field of study or skill. The icons include: a graduation cap, a musical note, a ruler, a car, a gear, a magnifying glass, a pair of scissors, a telescope, a DNA helix, a laptop, a globe, a person playing soccer, and an atom. The central text is overlaid on a white rectangular background.
